

MICHIGAN FIRST PRECINCT DELEGATES

- Active & Effective -

PHASE 2: IN THE OFFICIAL ROLE

Only precinct delegates have the ability to elect new party leadership and nominate party candidates for major state offices.

Depending on the situation in your precinct and how much time you have available, you will have to decide whether or not to fill the official role. Realize that all Action Phase 3 can be completed without being an official precinct delegate. Here's a few helpful guidelines:

- *If you live in a precinct with a vacant seat, filling this role is vital, even if you do not have the time to participate in Action Phase 3.*
- *If another patriot in your precinct is also interested in the position and has more time than you to be involved beyond just voting at conventions, please allow them to fill the official role and simply offer to help them when possible.*
- *If you live in a precinct with a RINO in the precinct delegate position, you will have to canvas your precinct, as detailed in Phase 3.*

BECOME A PRECINCT DELEGATE: 1-2-3

STEP 1: Find your precinct.

Check your voter registration card to identify which municipality (city or township), ward (# - only in some large cities), and precinct (#) you reside in.

This information can also be found on the Secretary of State website: <https://mVIC.sos.state.mi.us/Voter/Index>. Search by name or driver's license and date of birth.

STEP 2: Complete the Affidavit.

The Affidavit of Identity can be found on the Secretary of State website: https://www.michigan.gov/documents/Aff-ID_Pre-cnt_139901_7.pdf

Complete all fields on the affidavit, but hold signature.

Sign the affidavit in the presence of a notary. A notary can be found at most local banks.

Make a copy of the affidavit.

File the original copy with the county clerk: submit via mail or in-person. The filing deadline is listed at the top of the affidavit - per election law, the deadline is 4pm on the thirteenth Tuesday preceding the primary election.

IMPORTANT! Reduce the chances of having a contestant in your precinct, by submitting the affidavit just

MY PRECINCT HAS A VACANT SEAT! MAY I FILL IT NOW?

County political parties may hold a vote at county conventions to elevate precinct delegates to fill vacant seats.

If your precinct is vacant, notify your county party that you are interested in being elevated at the next county convention. A majority vote is required to approve elevation.

NOTE: *If there are no remaining conventions in the current 2-year term, it is better to wait until the next August primary election.*

prior to the filing deadline. Also, don't forget to ask the clerk if any other affidavits have been filed by someone in your precinct!

Your name will be listed on the primary election ballot.

STEP 3: Campaign.

When there are more precinct delegate contestants than allotted seats in your precinct, put together a simple letter asking your neighbors for their vote in the upcoming primary election. If you canvas your entire precinct, you greatly boost your chances of winning.

IMPORTANT! It is **ILLEGAL** for anyone other than the postal service to place letters in mailboxes! Hand deliver letters to your neighbors or tuck them into front doors. Distribute campaign literature approximately one week prior to the election, so your name is fresh in the voters' minds. Take this opportunity to promote other candidates on the ballot as well!

VOTE AT CONVENTIONS

It is **ultra-important** that America First Precinct Delegates attend, participate in and vote at conventions...this is our opportunity to (A) replace “do-nothing” county party leadership with patriots (B) elect state delegates to attend state convention to elect or nominate America First candidates!

WARNING: Many precinct delegates have reported never receiving the calls to convention or rules for the convention! Be vigilant - double-check that you are getting communications from the county party.

ROBERT'S RULES OF ORDER

Conventions are carried out in a smooth, orderly and fair manner by following Robert's Rules of Order. It is important to know these Parliamentary Procedures for how and when to effectively introduce a motion or bring up a new idea.
